## SENIOR HISTORY

Well, Seniors, it sure has been a lot of fun at dear old H.C.H.S., hasn't it? These four years will always be remembered. Can you remember back to our Freshman Year? Out of 66 freshmen, we chose Katie Foster as President, John Porter as Vice-President, and Andie Heinz, as Secretary-Treasurer. That was the year we lost the magazine contest and was initiated by the Sophomores. With dues and the few activities we were allowed, we ended the year with approximately \$60. We began our Sophomore year with only 54 in our class. Out of these we voted Don Nicholas, as President, Bob Sherman as Vice-President, and Katie Foster as Secretary-Treasurer. Getting up a little in the world, the boys won the Intermural Basketball Championship, and we tied with the Seniors for first place honors in the Christmas Program with 'The Littlest Angel,'' which made our class five dollars richer. We also got to initiate the Freshmen. Selling winged emblems, crew hats, and candy, along with class dues and dances, we raised the treasury to \$257.55 to begin our Junior year.

Our Junior year was the start of two big years filled with fun and work to raise all the money we could for the Senior Trip. We had John Porter, President; Joe Zinnecker, Vice-President; Russell Mosher, Secretary; and Roger Davies, Treasurer; to lead us throughout the year. We produced a one-act play entitled 'Everything Nice,' on March 2, which was a success. On May 12, we held the Junior-Senior Prom. (That was a big night.) Lots of work went into the Prom. The theme was 'Moonlight and Roses'. The stage was beautifully decorated with a large moon and white trellises covered with roses. May 22, we had the Junior-Senior Banquet at the Log Lodge in Rockford. With the Prom and Banquet, our class treasury had a slight hole left in it, so at the end of the year we had approximately \$600.

Here we are Seniors, four years later and our last year at Hononegah. With Mrs. Byrnes as our class Sponsor and Don Nicholas, President; Ron Crane, Vice-President; Lee Gleasman, Secretary; Duane Dixon, Treasurer, to push us on. We are trying to get all the money possible through hard work for our trip. Everyone has worked hard for that goal. This year putting the Mack together, Homecoming, Noon lunches, Christmas Cards and other activities has taken a lot of elbow grease. But the reward will soon be here.

# NATIONAL HONOR SOCIETY

To be elected to the National Honor Society a person must excel in outstanding service, scholarship, leadership, and character. The Junior class Members, chosen by the faculty this year, were Donna Brady, and Frank Bauling. Chosen from the Senior class were John Porter, Beverly Olmstead, Beverly Carpenter, and Shirley Stultz. Kathleen Foster and Don Nicholas were elected in their Junior year.

S. Stultz, J. Porter, B. Olmstead, D. Nicholas, Miss Englund, F. Bauling, K. Foster, D. Brady, B. Carpenter.

### D. A. R.

The three candidates for the D.A.R. chosen by the Senior class, were Ann Johnson, Kathleen Foster, and Shirley Stultz. Kathleen Foster was elected president in her Freshman year and Secretary-Treasurer in her Sophomore year. In her Junior year she was also elected to the National Honor Society. The essentials for receiving this honor of membership in the D.A.R. is dependability, service, leadership, and patriotism.

Kathleen Foster

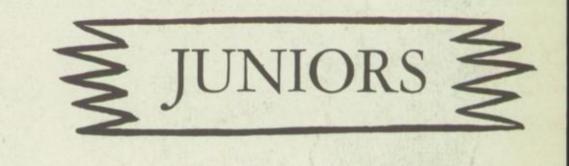

FIRST ROW--B. Carpenter, K. Foster, M. Galley, L. Sill. SECOND ROW--J. Funk, R. Crane, D. Nicholas, L. Gleasman, J. Zinnecker, J. Porter.

### **BRAIN & BRAWN**

Elected to the Brain and Brawn Society were Kathleen Foster, and Beverly Carpenter for scholarship. For all-school citizen, the faculty chose Don Nicholas. Kathleen Foster Margaret Galley and Leona Sill were selected for their G.A.A. achievements. For outstanding in athletics, Joe Zinnecker, Jack Funk, Ron Crane, Lee Gleasman and John Porter were selected.

There is a possibility of some students meeting Brain and Brawn requirements by winning the highest award in the District Track meet. Due to early publication, these names will not appear in this book.

# JUNIORS

All of us here at Hononegah are proud of the fact that we have such a fine working group as the class of '53, under the guidance of Don Hicks. They have had two outstanding feature successes, which are the Junior-Senior Prom, and the Junior-Senior Banquet. Class officers are Bill Matteson, President, Gene Wensel, Vice-President, Beulah Funk, Secretary, and Donna Brady, Treasurer.

## SOPHOMORES

Eighty-five ''freshies''
enrolled in Hononegah in September 1950, the largest class on
record. They wisely elected Bill
Moss as president, Betty Mallicoat
as vice-president, and Margaret
Pearson as secretary-treasurer.
Mr. Miller was appointed their
sponsor.

Back again this year, this class decided to be different. Instead of electing officers they elected a committee of ten consisting of Mary Kocher, Chairman; Del Hasse, Marlene Carter, Margaret Pearson, Betty Mallicoat, Alan Sund, John Stogsdill, Dave Bottimer, Karlene Porter, and Don Rigotti.

## "B" SQUAD

Richard Gleasman was high scorer and most improved player. The whole squad was very green and gained much valuable experience that should help them next year when they join the varsity. Due to the large number of seniors on the varsity this year, all of the junior varsity squad will have to serve as varsity material next year.

## "A" SQUAD

The best Hononegah team in the last 12 years. The highest scoring team in the school's history with 1157 points in 21 games, for a 55 point per game average, won the Shark Conference championship by winning 7 and losing only one game to Aquin at Freeport. The team took 2nd place in the eight team Marengo holiday tournament. Joe Zinnecker high scorer with 249 points was elected Captain. Jack Funk and Joe both won four major letters in basketball. Other seniors who will be missed in 52-53 are John Porter, Ron Crane, Duane Dixon and Lee Gleasman.

Outstanding game was the 79-57 defeat of Kirkland at Kirkland.

Half time!

On October 12, before a crowd of over 2,000, our Indians scalped the South Beloit Sobos by a score of 28-12. Excellent playing was shown by both teams but with the kicking of Johnny McDonald and the running of Jack Funk the Sobos were unable to even tie us. After the game the Seniors had the homecoming dance with Don Dockers orchestra from Beloit furnishing the music. Popular senior Queen, Peggy

It will be many years before Hononegah students forget the little 140 pound 'mighty mite' who stole the hearts and admiration of H.C.H.S. students and followers alike.

Thus, beginning what we hope may become a tradition, the Mack staff pays tribute on this page to a little guy with a big heart, Johnny McDonald, the 1951 most valuable football player of the year.

In scoring 14 touchdowns and 19 extra points, Johnny established himself as one of the leading scorers in Northern Illinois small schools with 103 points out of the 200 the whole team made.

He played in eight games on both offensive and defensive plays. In the Polo game, Johnny made all of the 27 points scored by the Indians.

GAA (Girls Athletic Association) under the leadership of Mrs. Byrne, has an enrollment of more than 90 girls. Officers elected this year are Loretta Brown, President, Katie Foster, Vice President, and Donna Brady, Secretary and Treasurer.

During the year there are sports like basketball, volleyball, track, baseball, swimming, bowling and other activities for these girls. One of the purposes of these activities is to give the girls activity and health points needed to get awards. The awards are, in the order they come, the numeral, 500 activity - 100 health, the 'H' 1000 activity - 200 health, the 'I' 1300 activity - 300 health, and the state map is 1600 activity - 400 health.

When you have all four of these awards, you are elected for the Brain and Brawn Society.

During the year they held a dance and sold candy as money-making projects.

## LIBRARY

'A collection of books or a building containing books' is the definition the dictionary gives of library. But we know it's a place to look at magazines and do reference work, too. The librarians have done a fine job of keeping things in order and their decorations help make the library an enjoyable place to spend your leisure time.

Few of us realize the long hours and endless work that goes into the library. We here at H.C.H.S. are very fortunate to have a library so well stocked that we can write themes and essays without leaving the school. The work must, of course, fall on someone, that someone being Miss Englund who has the hard job of keeping the books in spic and span order so we all may enjoy them.

#### EDITOR'S COMMENT

The other day I was digently trying to get the last pages proof read when a question popped into my mind. I asked myself 'Does everyone know who made this Mack possible?'' I decided that everyone should know.

Jack Funk, Bob Sherman, Fred Frisk, Roger Davies.

Of course, nothing could be done without money. To get money, we sold subscriptions and ads. At the head of the ads was Lee Gleasman who with Katie Foster and Duane Dixon pulled in the money to make this Mack possible. Next comes the writers. The people who do a lot of hard work and get no credit for it. This job went to Gerrie Mallicoat, Helen Robinson, Veronica Gray, Russell Mosher, and Jack Funk. Then there's the artist who does all kinds of odd jobs, this is Bev Olmstead. Then, of course, every Mack must have photographers. These busy boys who run around snapping pictures are Bob Sherman, Roger Davies, and Fred Frisk. The typists are Audrey McLean, Peggy Rigotti, and Joan Karnes. They saw to it that every piece of copy was typed without error.

Last, but not least, there are two people who I could not have gotten along without. That is Joe Zinnecker, the Business Manager and Assistant Editor. Joe was always where he should be at the time I needed him and was always cheerful and willing to help when things were going rough. But the one person I especially want to thank is Miss Van Vonderen. When things looked as though we would never have a Mack, she was always there with a kind word to cheer us up. Words cannot express the patience and understanding she has shown us in producing this Mack. We, the staff of '52 hope that you, the student body, like the '52 Mack. We have tried some new ideas and we hope you all like them.

Thanks a million staff of '52 for your cooperation and willingness to help. Good Luck staff of '53.

## "QUIET PLEASE"

## A COMEDY IN ONE ACT Directed By MARJORIE MARKGRAF

On March 7, 1952, the Junior Class presented a one act comedy, ''Quiet Please'' which was enjoyed by everyone present.

The play was centered around two stubborn brothers. The brothers were not speaking because of some silly quarrel they had had about ten years ago. Their one room home was divided into half with a chalk line. Each half was exactly the same. They cooked their own meals and did their own cleaning. A group from the church come to their home and try to get the two brothers to make up. The brothers chase them out. Then a woman has car trouble and has to stay over night. A hilarious supper follows. The stranger then makes both brothers sleep in the same bed. When she leaves in the morning, the two brothers make up. They erase the chalk line and are friends once more. The brothers talk about their quarrel of ten years ago. They soon start arguing about who started the argument. The chalk line is again drawn on the floor. The minister comes back to try and settle things but he gets shoved out the door before he can say a word.

The brothers end up not speaking while everyone thoroughly enjoyed themselves watching the feud.
